The undersigned (the "Customer") hereby submits this application for the purpose of applying for credit from Seller. "Seller" means Three Puglisi Brothers, Inc. T/A Puglisi Egg Farms and/or any other entity, corporation, or limited liability company which is now or hereafter becomes affiliated or under common control with, or a parent or subsidiary of the foregoing listed selling company. The term Seller in context therefore means one or more of Seller's companies that provide goods, services, credit, or financial accommodations to the Customer from time to time.

The Customer affirms financial responsibility, ability, and willingness to pay invoices in accordance with the Terms and Conditions of Sale as set forth below. The above information is warranted to be true, complete, and correct. The Customer warrants and represents that his/her business is a valid business entity and that he/she is an authorized representative of the business with authority to enter into contractual agreements. The Customer in consideration of the agreement with Seller to extend credit to applicant, the receipt and sufficiency of which is hereby acknowledged, personally guarantees the full and prompt performance and compliance by applicant of all terms and conditions of this application and all terms and conditions of sale set forth below (which are fully incorporated herein), and further personally guarantees the full payment of all outstanding indebtedness of Customer to Seller and/or any other entity, corporation, or limited liability company which is now or hereafter becomes affiliated or under common control with, or a parent or subsidiary of Seller.

The Customer acknowledges and agrees that Seller may enforce this guaranty without first resorting to or exhausting other remedies provided herein or by applicable law. Guarantor agrees to pay all collection costs and attorneys' fees incurred by Seller in enforcing this guaranty. This shall be a continuing guaranty.

The Customer, recognizing that his or her individual credit history may be a necessary factor in the evaluation of this personal guaranty, hereby consents to and authorizes the use of a consumer credit report, by Seller, as specifically provided in the Customer's authorization above, from time to time as may be needed, in the credit evaluation process.

### Terms and Conditions of Sale

In consideration of the extension of credit, Customer hereby agrees to the following terms and conditions:

1. Payment is due in accordance with the terms on the face of the invoice. A one and one-half percent (1.5%) per month service charge will be assessed on all amounts which remain past due more than thirty (30) days. No shipment will be made to Customer when there is an outstanding balance outside of the payment terms. Customer shall pay Seller a bank fee for all checks returned by the bank.
2. In the event that Seller should commence any action or actions, or otherwise seek to enforce these terms and conditions of sale against Customer and/or Guarantor, as applicable, Customer and/or Guarantor will be jointly and severally responsible for all collection costs, including but not limited to, attorney's fees, court costs, and other expenses incurred by Seller, whether or not suit is filed.
3. Customer herein consents to the entry of Confession of Judgment on failure to make payment within reasonable terms as defined by Seller.
4. The perishable agricultural commodities listed on invoices are sold subject to the statutory trust authorized by section 5(c) of the Perishable Agricultural Commodities Act, 1930 (7 U.S.C. § 499e(c)). The seller of these commodities retains a trust claim over these commodities, all inventories of food or other products derived from these commodities, and any receivables or proceeds from the sale of these commodities until full payment is received.
5. To secure the full and timely payment by applicant to seller of all existing and hereafter arising amounts due to seller, applicant hereby grants seller a priority (purchase money) security interest and lien to all goods, inventory, equipment, and fixtures sold to applicant by seller from time to time, and separate security interest in all other assets of applicant, including without limitation, all of applicant's now existing or hereafter arising or acquired accounts; (b) goods for sale, lease, or other disposition which have given rise to accounts; and (c), goods, including without limitation, inventory, equipment, fixtures, and vehicles. Applicant hereby authorizes seller to file and perfect any and all statutory lien rights and any rights under indemnity or performance bonds at any time regardless of whether payment is due to seller under seller's payment terms with the applicant.
6. Applicant hereby authorizes seller to prepare and file any Uniform Commercial Code (UCC) financing statements, amendments to UCC financing statements, and any other filings or recordings in all jurisdictions where seller deems appropriate without applicant's signature, and authorizes seller to describe the collateral in such financing statements in any manner as seller determines appropriate.
7. If any term or provision of these terms and conditions is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of these terms and conditions or invalidate or render unenforceable such term or provision in any other jurisdiction.
